

All New Boost Tee Manual Boost Controller

The All New Boost Tee Manual Boost Controller is a new take on the classic Turbosmart Manual Boost Controller. The Turbosmart Gated Boost Control Valve range is one of the best dollars for horsepower upgrades that you can make to your turbocharged petrol or diesel engine vehicle. All Turbosmart Gated Boost Controllers feature our exclusive Gate feature, which minimizes wastegate creep and can improve turbo response by up to 800 rpm earlier in the rev range – this means that you can increase the performance and response from your engine without even raising the maximum boost level.

- Suitable for all pneumatic turbochargers
- Turbosmart Gate Feature
- Best bang for buck horsepower upgrades

Mechanical Data

Control diameter	3.7mm
Mass	70g
Safe working pressure max.	483 kPag / 70 psi / 4.83 bar
Thread	Inlet: 1x (1/8" BSP) – Restricted Nipple Outlet: 1x (1/8" BSP)

Thermal Data

Min. Operating Temperature	-30°C
Max. Operating Temperature	200°C

Flow Data

Material Data

Beryllium (Be)	0%
Main body	6262 T6 anodised Al.

Order Data

TS-0101-1101	All New Boost Tee Manual Boost Controller Blue
TS-0101-1102	All New Boost Tee Manual Boost Controller Black
